An Institution run by
Sisters of LWSH Congregation

PROSPECTUS

Our Inspiration

Our heavenly patron blessed Francisco Maria Greco (1857-1931) was born in Acri (Cosenza) Italy. It was his lifelong mission as a philosopher, educationist, social reformer, scholar, writer, artist and architect to bring the poor and ignorant to the main stream of society through education. We envision values of excellence and service as attendant to imparting education as divinely inspired by our heavenly patron, the founder of the religious congregation Little Workers of Sacred Hearts (LWSH) which has extended its service to USA, Argentina, Albania and India.

Mary Mount Public School, established in 1999, is the first educational venture of Little Workers of Sacred Hearts Congregation (LWSH) in India. Located in a serene, pollution free atmosphere beside Ettumanoor-Pala State Highway, MMPS has excellent infrastructure and impeccable facilities making the process of learning, easier and effective. The School is affiliated to CBSE, New Delhi. We have classes from Playschool to Plus Two and at present there are 2500 students on roll. Rooted in the noble tradition and spirit of the Christian missionaries, the School has become the first choice for the students from all over India and abroad.

The right place
